OUR DEPARTED FRIENDS

As the new bowling season starts, their absence again saddens all their many friends.

Other bowling friends have departed—and loved ones of our bowling friends.

May they rest in peace and perpetual light shine upon them.

Compiled by

PATRICIA TALAMANTES, President PWBA

DOROTHY LIPARINI, Secretary PWBA

OUR PRESIDENT'S MESSAGE

It is hard to express in a few words, to each and every bowler, the feelings I have for this coming year! I do hope the league officers and the league representatives will give their full support to our Association. This support can best be given by attending the monthly meetings and by engaging in Association activities.

It is hard to contact each bowler individually about up and coming events, so consult the bulletin board for weekly and monthly activities. This is your Association, and by supporting our tournaments, meetings, bowlers' banquet, etc., this coming season will be enjoyed by all.

I also sincerely believe that more support should be given to our Junior Bowling youth program. With our undivided help, we can assure their future in top rate bowling.

Best wishes and good bowling!

TOM KANE, President

Petaluma Woman's Bowling Association

1966-1967 OFFICERS (left to right): Pat Talamantes, president; Louise Ayers, vice-president; Dorothy Liparini, secretary-treasurer; Maxine Frick, sergeant-at-arms.

The Executive Board of the Woman's Bowling Association is comprised of the officers of the Association and the woman officers and representatives of each league.

PRESIDENT'S MESSAGE

One of the fascinations of this game of bowling is that you never know when you start to bowl how you will do. This is the way I feel about being president of our Petaluma Bowling Association. All I can say is that I'll do my very best to serve my fellow bowlers.

Our 1965-1966 City Tournament had the largest number of entries known to our Association. Let us make our next City Tournament the best ever. The 1965-1966 B. V. L. Tournament was a huge success.

I would like to thank all the officers and chairmen for a job well done.

I would like to quote our WIBC president, Alberta Crowe: "Today the WIBC image is high in the eyes of the public. There is no room for selfishness, petty differences, personalities, jealousy or grudges. If there is a need for better understanding, all of your leaders should take immediate steps to quickly resolve any differences. There should be more graciousness on the bowling lanes for unusual performances, boasting of one's morale on a day when the scores were not as good as expected or wanted, loyalty to one's friends and bowling association, and there will be many rewards, satisfaction, and fun by working in harmony and cooperation."

—PATRICIA TALAMANTES

LEAGUE SECRETARIES: Mixed Leagues

DEAR SECRETARIES:

As our new bowling season comes upon us, I feel that the closer we work together, the more we can help our association. I am here to help you and all our bowlers at any time you or they may need my help. Please feel free to call on me for any help you may need.

A few suggestions I have for you are:

1. Please read your WIBC rule book and know your rules. Always play fair with your league and follow their rules at all times.
2. Keep duplicate copy of current standing sheet posted.
3. All women bowlers must have WIBC cards or pay the membership fee prior to taking part in league play. Dues this year will be \$2.00 a card. Please be sure all girls do have cards; it is your responsibility.

Happy bowling to you and I hope your time as secretary will be a happy experience for you.
